# Home Appliance / Computer Recycling

## Home Appliance Recycling

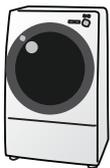

The following home appliances are required by law to be recycled.

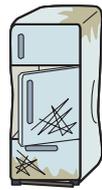

Air  
Conditioner

Television

Washing Machine  
/ Dryer

Refrigerator  
/ Freezer

Please recycle in one of the following ways.

You must pay  
the recycling fee.

- ① Request that the seller collect the item.
- ② Request that the shop collect the item when buying a replacement.
- ③ Bring the item in on the town's Home Appliance Collection Day, held once a year.
- ④ Bring the item to the designated collection spot.

\*For Options 3 and 4, you must purchase a recycling voucher at a post office beforehand.

### Designated Collection Spot

#### Saidaiji Transport

(Nippon Express Co., Ltd.,

Tsuyama Designated Collection Spot)

Jingo 466, Tsuyama-shi, Okayama-ken TEL: 0868-32-8824

\*Designated Collection Spot may change without prior notice.

## Computer Recycling

Computer Recycling is a system to collect and recycle home computers no longer of use based on the **Act on the Promotion of Effective Utilization of Resources**. Computer manufacturers are responsible for collecting computers and returning them into materials. In addition to computer manufacturers, some home electronic retailers also collect computers, so please utilize these services.

For more details, **please contact Town Office or the computer manufacturer, or check the Association for the Promotion of Computer 3R's (PC3R) homepage.**

リサイクル

Items with the above mark do not require an additional fee when disposing of them. The manufacturer handles collection and recycling.

## Food Waste Disposal Machine / Compost Machine Subsidy

Please use home food waste disposal machines and compost machines in order to reduce the amount of food waste and utilize this waste as fertilizer.

Our town offers subsidies to those who purchase food waste disposal machines and compost machines, so please take advantage of this.

# Items Not Collected by the Town

The town collects household/domestic waste. Waste from businesses and stores is not accepted at trash stations.
